# FLEET MANAGEMENT
SOLUTION FOR DYNAMICS 365
FOR OPERATIONS

Annata 365 for Fleet is a modern cloud-based management solution that meets today's and future business and operational needs for the Fleet management industry.

ANNATA 365
FOR FLEET

Annata 365 for Fleet is a management solution fully integrated with **Dynamics 365 for Operations**, using the standard features of Dynamics for Operations, as well as additional features specially designed to support the contract hire and fleet management business. It handles all key business processes during the entire vehicle's life-cycle "from cradle to grave".

Contract → Collection → Asset Fleet Management → Service →

WHAT DO YOU GAIN?

- **Functional fit** solution out of the box for **your industry** needs.
- Facilitating your **digital transformation.**
- Certified **future proof solution** through Microsoft Certified programs (CfMD).
- Full integration of **all key business processes** driven by industry specific needs and developed by experts.

- Mostly replacing high number of bespoke **nonintegrated systems.**
- **Process automation** needs, work-flows and **process alerts.**
- **Strong references** around the world to back claims.
- **Powerful,** but easy to use analytic tools.

ANNATA 365
