

Power Platform Consulting Offer via AppSource

App in a Day: 1-day Workshop

\$2,500; travel included*

App in a Day is designed to accelerate your PowerApps, Power Automate, and the Common Data Service for Apps (CDS) experience with a comprehensive training in a single day, held at your location.

The training provides practical, hands-on experience with Confluent who specializes in creating custom Power Platform solutions in a full-day of instructor-led workshop.

You will learn how to build custom apps that run on mobile devices, and share them inside your organization securely.

*Travel within the continental United States and Canada included

Agenda:

- Power Platform Overview
- Intro to Canvas PowerApps and Lab
- Intro to CDS for Apps and Lab
- Intro to Model-driven PowerApps and Lab
- Intro to Power Automate and Lab

Power Apps

Power Automate

Power BI

Power Virtual Agents

Confluent was an early adopter of the Power Platform, and can trace our involvement with it back to the beginning. Our focus is on delivering cloud-based business application solutions. With the Power Platform companies of any size have the ability to afford a digital transformation initiative. We leverage this tool set to solve a myriad of different business process improvement challenges, and work with companies of all sizes and varying industries to identify opportunities for digital transformation.
