Confluent

Power Platform Consulting Offer via AppSource
FREE 2-Hour Power Platform Assessment

Are you interested in adopting the Power Platform including Power Apps, Power Automate, Power BI, and the Common Data Service for Apps (CDS)?

This assessment is designed to help you understand the capabilities of the Power Platform, as well as if this would be an ideal replacement for existing systems or future digital transformation initiatives.

During the assessment we will discuss existing business processes and current data systems/sources, near- and long-term considerations, infrastructure, and licensing options / costs.

*The assessment will be a scheduled remote session via Teams

Deliverables:

- **Recommended road-map**

- **Demo on similar solutions**

- **Recommendation on licensing**

- **What's Next**

- **Budgetary guidance**

Microsoft Gold Partner

Power Apps   Power Automate

Power BI   Power Virtual Agents

Confluent was an early adopter of the Power Platform, and can trace our involvement with it back to the beginning. Our focus is on delivering cloud-based business application solutions. With the Power Platform companies of any size have the ability to afford a digital transformation initiative. We leverage this tool set to solve a myriad of different business process improvement challenges, and work with companies of all sizes and varying industries to identify opportunities for digital transformation.
