

# Vendor Management

Manage entire Vendor Life Cycle (VLC) on cloud and maintain a transparent and lucrative relation with your vendors

**IDOS minimizes the human intervention in one of the most important and equally comprehensive task of Vendor Management for Organizations.**

## End-to-end Vendor Life Cycle Management

IDOS enables creation of vendor master through e-forms and templates and creates vendor groups and categories basis parameters defined. In IDOS, all your vendor contracts, SLAs and RFQs are safely stored on Microsoft Azure cloud.

## Enhance process efficiency in Vendor Management

- E-forms for onboarding
- Cloud for managing and sharing of contracts and SLAs
- Automated vendor quotation comparison and selection
- Check RFQ status from all vendors
- Vendor rating based on set parameters such as lead time
- Negotiate better payment terms + added analytics

## Streamline vendor onboarding process

Vendor onboarding becomes a seamless task with IDOS. Organization use e-forms and templates to create comprehensive vendor master and manage contracts and SLAs.

## Negotiate better payment and delivery terms

IDOS auto-compares multiple vendors for an RFQ based on set parameters and provides you with best value deal. Thus helping you in negotiating better credit and delivery terms with vendors going forward.

## Engage better with vendors

Vendors get real-time view of transaction history with you, monitor upcoming RFQs and download balance statement. By bringing transparency, IDOS ensures your vendors remain happy and lucrative with you.

**Minimize manual intervention and chances of files getting lost**

**Get the best value from reliable and lucrative vendors**

**Transparent eco-system ensures enhanced value for your business**

**Our vendors are mainly wholesalers of chemicals and packing materials for our Agro-chemical manufacturing business. With IDOS, we can simultaneously compare multiple wholesalers based on their lead time, unit rate and credit period extended. This has eliminated our chances of having a stock-out situation. Vendors also track the business given by us to them and provide us volume discounts.**
