eSign Facturae

Functionality & Plans

Functionality

eSign Facturae for Microsoft Dynamics 365 Business Central is the solution that will allow you to digitally sign your XML documents, such as invoices and credit notes.

Using eSign Facturae, you will be able to work with the Spanish Public Administrations regarding invocing. The creation of digitally signed XML invoices follow the common standards of Facturae.

These digitally signed XML invoices will be valid for later sending to the main public online portals, such as FACE. You will be able to digitally sign both sales and service invoices.

You will be able to work completely within your Microsoft Dynamics 365 Business Central, and you will also have an online archive of your signed documents at the eSign Portal, INNOVAONLINE.
