

Dynamics 365 Quick Start

Jibe365
A Cynergies Solutions Group Company

What is the Dynamics 365 Quick Start?

The Dynamics 365 Quick Start engagement is designed to get you up and running with Microsoft Dynamics 365 for Sales or Dynamics 365 for Customer Service quickly and inexpensively, so that you can start reaping the benefits of a modern relationship management system in days, not weeks or months.

What's Included?

- Initial setup of your Dynamics 365 organization using best practices
 - End-user training for up to 10 users
 - Administrator training
 - Import of account, contact and lead data
 - Server-side synchronization with Microsoft Exchange
 - Server-side integration with Microsoft SharePoint

What does it cost?

The cost for all of this is just \$1,999. *

*Excludes cost of licenses. Refer to statement of work document for full terms and conditions.

Growing **YOUR BUSINESS**
through **HAPPY CUSTOMERS.**
