

# Shopeneur

Easily create online shops with no coding. Even, showcase your 'brick and mortar' shops. Accept credit card payments for products, consultancy and other services.

*Software by Ray Consulting Limited*

## Build your own shop website

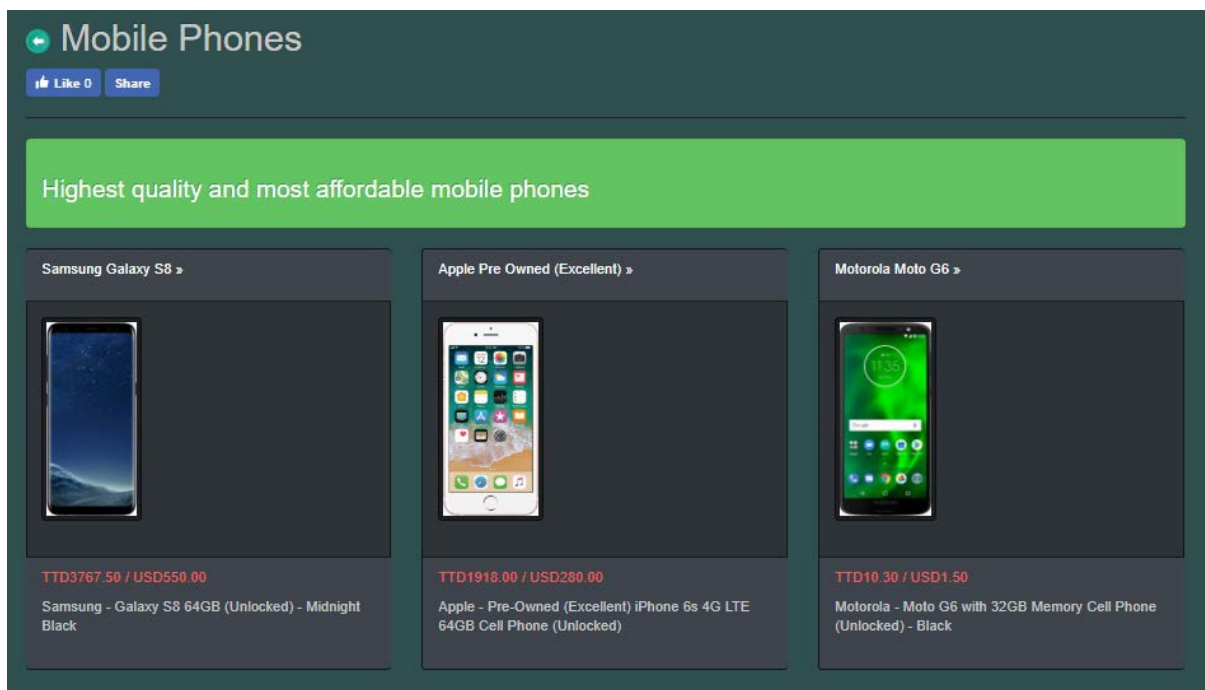

Build your own website using this online software. Get your custom domain name and set your theme.

The screenshot shows the homepage of a shop named "Contoso Electronics". The navigation bar at the top includes "Shop", "Home", "My Account", "Privacy", and "Terms of Use" on the left, and "Register" and "Login" on the right. The main banner features a background image of a hand holding a smartphone. The text "Contoso Electronics" is prominently displayed in white, with the subtitle "Demonstration shop showing shopeneur.com features" below it. There are "Like 2" and "Share" buttons. Below the banner is a section titled "Mobile Phones" with a sub-image of three smartphones and the text "Highest quality and most affordable mobile phones" and a "View Products»" button.

## Advertise your products

Advertise your products, consultancy and other services.

The screenshot shows a product listing page for "Mobile Phones". The navigation bar includes "Like 0" and "Share" buttons. A green banner at the top of the product area reads "Highest quality and most affordable mobile phones". Below this, there are three product cards:

- Samsung Galaxy S8 »**: Image of the phone, price "TTD3767.50 / USD550.00", description "Samsung - Galaxy S8 64GB (Unlocked) - Midnight Black".
- Apple Pre Owned (Excellent) »**: Image of the phone, price "TTD1918.00 / USD280.00", description "Apple - Pre-Owned (Excellent) iPhone 6s 4G LTE 64GB Cell Phone (Unlocked)".
- Motorola Moto G6 »**: Image of the phone, price "TTD10.30 / USD1.50", description "Motorola - Moto G6 with 32GB Memory Cell Phone (Unlocked) - Black".

# Showcase your 'Brick and Mortar' shops

Display your physical stores and include Google maps.
