Sessionize your event!

The smart way to manage Call for Papers, Speakers and Agenda for your conference. Cloud based, safe and easy.

FAST SETUP

Call for papers

No more online forms or e-mails - you can have your call for papers in minutes! Custom categorization is very easy to setup, and it can help a lot when building agenda.

SMART

Voting for sessions

Invite your content team members to join you in voting for the best submitted sessions. Use our smart voting mechanism to select the best content for you event.

SIMPLE

Speaker communication

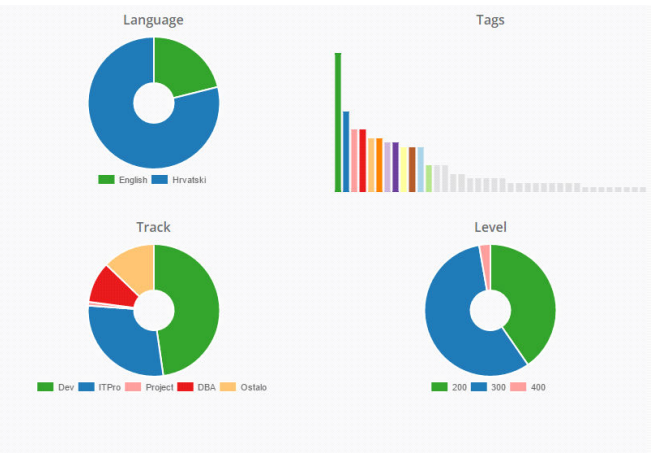

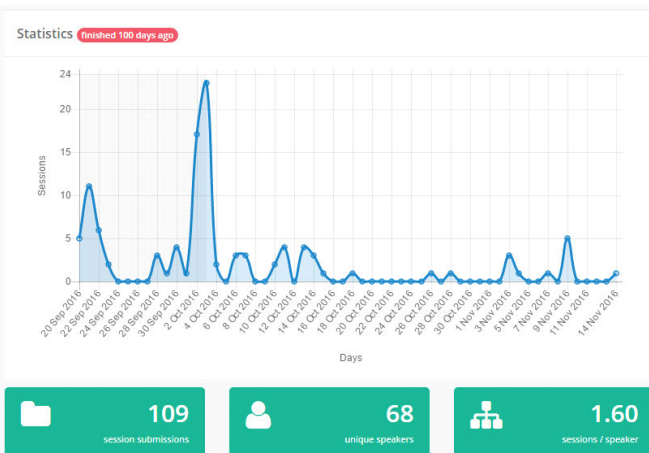

Congratulate to the chosen speakers, gently reject those not as fortunate. Talk to your speakers, send them info, surveys and reminders; arrange travel details. Never leave a speaker behind!

NICE

Build your schedule

Just drag and drop your sessions around and end up with a complete schedule for your event. Then you can embed it on your website, or retrieve as JSON or XML if you feel more advanced.

Workflow example

Dates are just exemplary. But you really can have your Call for papers by tomorrow.
