

HauteLogic
Fashion Delivered Right!

Your Perfect Digital Ensemble

A modern, elastic platform that drives innovation and allows fashion, apparel, accessories, and footwear organizations to thrive in the age of disruption

HauteLogic is an innovative unified platform that enables fashion organizations to step ahead of the competition by reimagining business processes and embracing disruptive ideas and technology. With a strong focus on customer experience, HauteLogic provides a comprehensive suite of state-of-the-art modular components for fashion supply chain, direct-to-consumer operations, omni-channel fulfillment, distribution, and manufacturing.

A cutting-edge, end-to-end solution powered by Microsoft Dynamics 365, Office 365, and Intelligent Cloud for manufacturers and retailers in fashion, apparel, and footwear.

End-to-end cloud-enabled enterprise platform with embedded AI and analytics

Solution Offerings

HauteLogic's modular design lets you match its implementation to your unique business needs. It bundles preconfigured components into a ready-to-deploy unified platform that aligns perfectly with your specific business model.

Fashion Wholesale

Manage your end-to-end fashion wholesale supply chain with built-in partner collaboration, customer engagement, planning, and operational decision making driven by automation and machine learning

Brick & Mortar Retail

Comprehensive fashion supply chain planning and management bundled with direct-to-consumer operations, modern POS, digital marketing, and consumer experience to create a unified platform that delivers actionable insights

Online Retail

HauteLogic takes your fashion supply chain further with eCommerce platform and small parcel carrier integration, allowing you to serve domestic and international consumers

Apparel Manufacturing

HauteLogic provides a ready-to-adopt, highly configurable, and scalable apparel manufacturing solution for full packaged sourcing, calendar milestone tracking, deep vendor collaboration, in-house shop floor management, and domestic outsourcing

Visionet's apparel solution converges financial and operational data to provide a complete picture of enterprise performance.

Sherman Lee, COO, Michael Gerald Limited

This solution provides a cost-effective platform to facilitate our expansion and growth across all channels.

Michael Saunders, COO, Dutch, LLC
